TRICARE Standard Electric Breast Pump and Kit Prescription

When can you get your pump:

- At 27 weeks of pregnancy or more, when your child is born, or when you adopt an infant and plan to breastfeed.

How to get your pump:

- Purchase it yourself and submit a TRICARE claim for reimbursement at <https://tricare.mil/breastpumps>
- As of 2023 TRICARE will reimburse up to \$346.04 in the USA/Hawaii.
- This is the only way to guarantee the pump you specifically want.

OR

- Go to a TRICARE authorized vendor
- Cannot guarantee the specific pump you want.

How to get your supplies:

- All of your supplies will come with your pump and this prescription covers all of the supplies authorized.
- The prescription is valid for 36 months for breastmilk storage bags, you do not need a new prescription. They are purchased separate and reimbursed with a TRICARE claim form at <https://tricare.mil/breastpumps> for 22 cents/bag at 90 bags/month.

What if I have more questions:

- <https://tricare.mil/breastpumps>
- Call TRICARE/HNFS Beneficiary Hotline 844-866-9378
