

Assistance from the community is greatly appreciated at Tripler's Fisher House. Every donation brought into the Fisher House goes directly to support the military-affiliated families who are here from Korea, Guam, Japan, the outer Hawaiian Islands, American Samoa and the Philippines. This is a way you can help our military families in crisis. All gifts are appreciated and they do make a difference! If you have any questions, please call the office at 808-433-1291 ext 212 or my cell at 808-489-8261.
